

Junior Naturalist badge: Flowers

BADGE SUMMARY

Flowers are so beautiful, we bring them from the outside into our homes to add cheer to a room. But there's more to flowers than just good looks. Without them, plants could not make seeds, and scientists think the world would be much drier (and a lot less pretty). Dig up more flower secrets in this badge.

1. Uncover the science of one flower
2. Look under the petals
3. Find out how flowers help people
4. Have fun with flowers
5. Send a message in flower code
