

WORKSHOP AGENDA

Monday, December 16, 2013, 9 am to 4 pm

Location: Tijuana River National Estuarine Research Reserve - Training Center Room, 301 Caspian Way, Imperial Beach, CA 91932

Contacts the day of the meeting: Julio Lorda (603) 531-1033, Dorian Fougères (916) 531-3835

Workshop Goals

1. Review the TIME scenario planning framework and the associated physical drivers.
2. Develop draft narratives that describe each of the four future scenarios for the Tijuana River Valley.

TIME	AGENDA ITEM	PRESENTER(S)
9:00 am	<p>Welcome and Opening Remarks</p> <p>Introductions, Agenda Review, and Ground Rules</p>	<p>Jeff Crooks, TRNERR</p> <p>Dorian Fougères, Ctr. for Collaborative Policy, CSUS</p>
9:20	<p>The TIME Scenario Planning Approach</p> <p><i>Objectives: Explain how TIME will develop a decision-making framework, based on temporal information. Specifically, we will be focusing on the usage of scenario planning to assess changes in ecosystem services, and vulnerability and resiliency to climate change.</i></p>	<p>Jeff Crooks, TRNERR</p> <p>Julio Lorda, TRNERR</p> <p>Dani Boudreau, TRNERR</p>
9:50	<p>Overview of Physical Drivers</p> <ul style="list-style-type: none"> • How do the drivers interact to shape the ecosystems we have now? • How are they likely to interact and shape the ecosystems in the future? <p><i>Objectives: Review the physical drivers. Identify any significantly different interpretations of their likely interactions.</i></p>	<p>Dave Jacobs, UCLA</p> <p>Dave Revell, ESA PWA</p>
10:40	Break	

TIME	AGENDA ITEM	PRESENTER(S)
10:55	<p>Overview of the Four Scenarios and Scenario Characteristics</p> <p><i>Objectives: Introduce the four scenarios and the physical characteristics that will be the focus of the scenario narratives. Participants provide feedback on initial framework.</i></p>	<p>Julio Lorda, TRNERR Dani Boudreau, TRNERR</p>
11:25	<p>First Round of Scenario Development</p> <p><i>Objective: Use small groups to develop an initial narrative for their respective primary scenario.</i></p>	All participants
12:15	<p>Gallery Walk and Lunch</p> <p><i>Objective: Allow participants to read the initial narratives of the other work groups.</i></p> <p><i>Lunch will be provided</i></p>	All participants
1:00	<p>Second Round of Scenario Development</p> <ul style="list-style-type: none"> Describe how the remaining three scenarios are likely to affect different characteristics, at a more general level of detail than you did for your group's primary scenario. <p><i>Objective: Have each small group provide a mid-level description of how the remaining scenarios are likely to affect scenario characteristics.</i></p>	All participants
1:55	<p>Reporting Out and Feedback on Primary Scenario Narratives</p> <p><i>Objectives: Share the narratives of each group's primary scenario. Provide feedback to each group on their narrative (e.g., significantly different interpretations, suggested refinements, etc). Note any observations about overarching similarities or patterns across the four narratives.</i></p>	Work Group Reporters
2:50	<i>Stretch-your-legs short break</i>	

TIME	AGENDA ITEM	PRESENTER(S)
3:00	Third Round of Scenario Development <ul style="list-style-type: none"> In light of the feedback from your peers, how will you revise you primary scenario description? <p><i>Objective: Allow time for each group to refine its primary scenario narrative.</i></p>	All participants
3:40	Final Review <p><i>Objective: Allow each group to share any significant revisions it made to its primary scenario narrative.</i></p>	Work Group Reporters
3:55	Next Steps and Closing Remarks	Julio Lorda, TRNERR
4:00	Adjourn	

Workshop Ground Rules

- 1. Electronics courtesy** – please turn all devices to silent or off
- 2. Common conversational courtesy** – do not interrupt others, use appropriate language, and do not make it hard to hear by having third-party conversations at the table
- 3. Be comfortable** – take personal breaks if needed, restrooms and refreshments provided
- 4. Treat each other with respect** – people have different backgrounds, expertise, and interests; seek to understand their concerns and contributions to our work
- 5. Humor is welcome** – it just should not be at someone else’s expense
- 6. All ideas and points of view have value** – you do not have to agree with your neighbor; if you do not agree with something, propose an alternative
- 7. Avoid editorials** – avoid judging other people’s motives or the value of their actions; instead explain what you need for our work to be a success and your interests to be met
- 8. Honor time** – we have a full agenda and need to spend some time with each topic
