

Junior Animal Habitats Badge

BADGE SUMMARY

Imagine meeting a monkey or kicking up dust with a kangaroo. These animals live in the wild, so we don't get to spend time with them in their natural homes - their habitats. But that doesn't mean we can't find out more about where they live, how they play, and how we can help them!

1. Find out about wild animals
2. Investigate an animal habitat
3. Create an animal house
4. Explore endangered habitats
5. * Help protect animal habitats

REQUIREMENTS FULFILLED DURING TRNERR PROGRAM: Steps 1, 2, 3, 4

* Step 5 - add 30 minutes if you'd like to incorporate an on-site cleanup/habitat restoration project

LIMITATIONS: none

TYPES OF TOURS AVAILABLE: led by TRNERR staff/docent

LENGTH OF VISIT: approximately 1½ hours

GROUP SIZE: maximum 15 scouts with *SafetyWise* adult to scout ratio

ADVANCE PREPARATION BY LEADER

Decide if Step 5 will be done on the same day or a different day.

OPTIONAL STEPS THAT CAN BE SELF-GUIDED ON-SITE: None

FOLLOW-UP STEPS TO COMPLETE THE BADGE AFTER YOUR VISIT

Step 5 - If you'd would like a longer project, we recommend scheduling an additional date to do a habitat restoration project with your troop. Or you can arrange to do this with your troop at a different location. We recommend participating in International Coastal Cleanup Day (<http://cleanupday.org/>) on the third Saturday in September here at the Reserve or other local site.
